Dear Mr. LaMantia:

This letter serves to document the commitment of \$9,600.00 in matching funds from Ashtabula County Community Housing Development Organization, Inc. (ACCHDO, Inc.) for the New Hope proposed in its application for FY2017 Homeless Crisis Response Program funding. The match funding will be available beginning January 1, 2018, which represents the start of the two-year FY2017 Homeless Crisis Response Program period.

These funds represent the estimated Participant Rent Portion for the two year period beginning January 1, 2018 and ending December 31, 2019. This projection is based on the 30% of income portion the participant is required to pay towards their rent during the program. There is no way to guarantee that amount as there are many variables as yet unknown (e.g. who the applicants are, what income they may have, what their rent amount will be in comparison to their 30%, etc.). This portion is paid directly to the landlord by the participant prior to the balance being paid by the New Hope program and in that way it is leverage for the grant dollars. Ashtabula County Community Action/Ashtabula County Community Housing Development Organization submit this as a projection, no funds are available to cover any balance or variation from the actual Participant Rent Portion provided. If you have any questions regarding this match funding commitment, please contact me at 440-997-5957 x 565.

Sincerely,

Judith Barris, Executive Director
